We had a great turn out for our Swap /Lunch at Danny's. From multi's to turbines and everything in-between we had it all. Thanks to all that supported it and we hope you all had a good time.

Open House @ Danny's on September 17th. This is a opportunity to expose those who don't know about the hobby to check it out first hand. We're asking our members to spread the word and invite people out to try their hand at flying. Breakfast will be served along with a raffle for a RTF Delta Ray. Anyone who takes a introductory flight will be given a ticket to win the plane. We will offer tickets for sale also.

Annual Memorial Fly - In at the Horizon Field . Oct. 1st, 2017. This is a Fly-In and anything that flies including Rockets and Drones will be welcome. A great way to remember our friends who have made that Final Flight. More info to follow.
